Considerations and Quoting Steps

Step 1: What are the concerns?

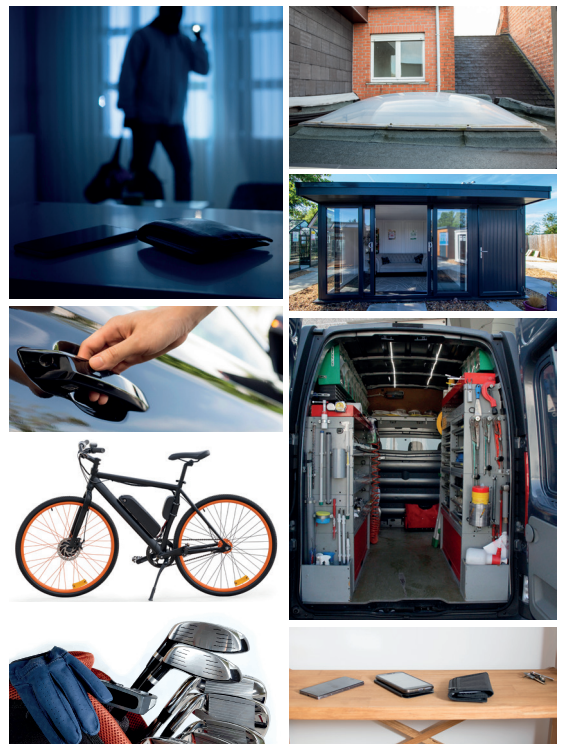

- Local break in?
- New high value items?
- Not going to be in as much?

Step 2: What are the local and property risk factors?

- | | |
|------------------------|--|
| Local crime stats | www.police.uk/pu/your-area/ |
| Unsecured entry points | Secluded areas
Flat roofs
Items on show |

Step 3: Value and protection level?

- | | |
|---------------------|--|
| Inside the home | Purses, wallets, contactless cards (up to £100 without PIN)
Jewellery, electronics, artwork, assets in excess of £200 |
| Outside of the home | Keyless car theft, keys in the home (Motorhome, Caravans)
Vehicle thefts: Tablets in cars, tools from vans
Golf clubs, Electric bikes, Outbuildings, Garages |

Starter Bundle

Our professional, fully wireless security system offers superior security for your property, and can be controlled from anywhere in the world with our HomeControl2.0 smartphone app. Our starter bundles provide a base level of equipment in an affordable kit, but will often require more sensors to fully protect the property after site survey.

Starter Bundle 1

1 x Control Panel with WiFi, 2 x Movement sensors,
1 x Door/Window contact, 2 x Keyfobs, 1 x Outdoor siren

Starter Bundle 2

1 x Control Panel with WiFi, 4 x Movement sensors,
1 x Door/Window contact, 1 x Outdoor siren
